

Priya Gupta

Mechanical Engineer

Email: priya.gupta@gmail.com | Phone: +91 9123456780

Profile Summary

Mechanical Engineer with 5 years of experience in product design, CAD modeling, and manufacturing systems.

Education

B.Tech in Mechanical Engineering, IIT Kanpur, 2014 - 2018

Skills

AutoCAD, SolidWorks, MATLAB, CNC Machining, Thermodynamics

Problem Solving Skills

Designed cost-efficient mechanical systems reducing manufacturing cost by 20%.

Work Experience

Mechanical Engineer, Larsen & Toubro, 2018 - Present, Worked on product design, FEA simulations, and assembly line automation.

Projects

Smart Cooling System, Developed energy-efficient HVAC prototype.

Certifications

SolidWorks Professional, Six Sigma Green Belt

Awards & Recognitions

Best Innovator Award - L&T; (2021)

Hobbies

Painting, Robotics, Badminton
