### Objective

---

I seek challenging opportunities where I can fully use my skills for the success of the organization.

---

### Experience

---

- Southern Carrier-  
2015 till 2017

Performed data entry and dispatch management, supervised loading and unloading operations, conducted quality checks, and maintained strong market relationships with customers.

Jai Ambey Transport/ New Ajanta transport - 2017 till March 2025

Started and managed my own transport business, overseeing all aspects of operations including fleet management, dispatch coordination, route planning, and client relations. Handled data entry, loading and unloading supervision, and ensured timely and safe delivery of goods. Built and maintained strong relationships with customers and market partners, contributing to consistent business growth and customer satisfaction.

Currently, it is managed by my Uncle.
